

## **Beat Sneak Bandit is now available for iPhone, iPod touch and iPad!**

**Malmö, Sweden – February 16, 2012** – The makers of Bumpy Road are back with an IGF nominated rhythm stealth puzzler! Put your baddest dancing shoes on, get ready to pitch up wang dang doodle and do the cosmic sloop because Beat Sneak Bandit is now available for all iOS platforms!

RHYTHM. STEALTH. PUZZLE.

When all the clocks in the world are stolen by Duke Clockface and the world is in chaos, it'll be up to the Beat Sneak Bandit to steal them back!

- Rhythmadelic controls: Everything in this game moves rhythmically, just like the simple controls: Tap to the beat to sneak!
- Stealthalicious gameplay: Sneak past patrolling guards, security lights, trapdoors and all the other freaky stuff and contraptions the creepy Duke's got in store for you!
- Puzzletastic levels: Watch, listen and learn the rhythm patterns to figure out how to solve all of the sneaky puzzles!

### **About Simogo**

Simogo was founded in 2010 by Simon Flesser and Magnus "Gordon" Gardebäck and is based in Malmö, Sweden. In December 2010 they released their first iOS game, Kosmo Spin. In May 2011 their second title, Bumpy Road was released. It has sold over 100,000 copies since then.

The founders have earlier worked on several downloadable console titles and handled the art and technical direction on the critically acclaimed game ilomilo.
